1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.) I am a customer and resident for over eight years and to think of any company wanting to raise rates such as water by 19% and sewer by 67% is absurd. The quality of our utilities is poor at best and we had an 18% rate hike in 2010. When is enough, enough.	
2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.) These rate hike percentages are absurd especially after the rate hike in 2010. With the cost going up and nothing getting improved there is no way I am sitting back and letting this happen.	
3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
